## Weddings-by-the-Hour Information & Rates

WEDDINGS-BY-THE-HOUR Hourly coverage (WBTH) is a brilliant choice for couples who like to keep it simple and not be 'locked' into a package structure with albums and extra content not always needed. Everything is flexible allowing you control over how much coverage time you select. With WBTH, you own all your edited pictures and can print and share anyway you wish. There are absolutely no restrictions as all edited pictures belong to you.

WBTH IS FLEXIBLE You decide what coverage time you would like and can even 'go-with-the-flow' and add extra time on your wedding day if needed. With WBTH, you also have options post-wedding to order enlargements, framed canvas (and/or canvas wraps), and various albums all at discounted rates.

**You will receive at least 150+ edited pictures per hour of coverage time.** This is the same number of edited pictures (per hour of coverage time) included with any of the four larger album packages. You will have my full involvement in all your picture editing post-wedding.

WBTH COVERAGE RATES (*rates include all discounts, tax, and there are no travel costs*)

**6 hours: \$1,850   7 hours: \$2,100   8 hours: \$2,350   9 hours: \$2,600**

**A minimum of six hours coverage time is required for your wedding date.** *If needed, you can add extra time to your day in 30-minute increments. Each 30-minutes is \$125 (an hour \$250, etc.). There is an extra \$150 fee if 9.5 or more hours are selected (for hotel and travel costs).*

NO HIDDEN COSTS OR EXTRA FEES We are open and transparent with pricing. This way, you know the cost for everything before getting started. There are no additional fees with any coverage time selected. **All rates include tax and there are no travel costs unless otherwise indicated.**

FLASH DRIVES & ONLINE VIEWING FOR FIVE YEARS After your wedding, you will receive all your edited pictures on a USB flash drive (along with a duplicate copy). Online viewing is also included for at least five years. The way online viewing works is amazingly simple. After your wedding, I will send you an email with a personal gallery link to all your edited pictures. Anyone you share your link with can download images with no restrictions or extra cost. Your link layout is compatible with all devices including smart phones, iPads, tablets, laptops, and pc's. There will be no logos or watermarks on any images either on your flash drives or your online gallery link. **Your online gallery link will be live for five years.**

\$100 PHOTO CREDIT You will receive \$100 photo credit, post-wedding, to select enlargements (5x7's, 8x10's, 11x14's, 16x20's) of your choice. All enlargements are printed on top quality professional paper and shipped within one week of you making your selections.
